

Nacionalismos mayas y desafíos postcoloniales

A new book about the Maya by Emilio del Valle Escalante

Nacionalismos mayas y desafíos postcoloniales explores the emergence and cultural/political implications of Guatemala's Maya movement within the context of the civil war, the Peace Accords (1996), and globalization in Guatemala. It particularly examines the interethnic debates in literature, testimonio, journalism, and state policy documents between Maya and Ladino (/mestizo/) intellectuals, and their discursive struggles to redefine the nation-state as multicultural, multilingual and multiethnic. In Spanish.

240 pgs., 7x10", Published by FLACSO-Guatemala, 2008; *\$15.00*
